

# CHAPTER REPORT

Greetings Alumni Brethren,

Welcome to the first in a series of newsletters and other communications for you, our esteemed alumni. We truly enjoyed meeting many of you at the Kovner Banquet in March, and hope to continue to develop our relationship. Having just started this past year, we look to your experience, knowledge about our chapter's history, and ongoing support throughout our time as undergraduate brothers. We hope this will be the beginning of connecting PA Alpha Delta's past with its present.

Fraternally,  
Bryan Mann, *Scribe*

## Philanthropy

This past year the undergraduate brothers focused on Pi Lambda Phi's international philanthropy, the March of Dimes. Through tabling on campus and at a local supermarket, and throwing a "Free Compliments for Charity" event, we raised \$2,400 for March of Dimes.

"Free Compliments for Charity" received

coverage from the *Temple Times*.

Our brothers offered campus passersby some kind words or free flattery. If the person made a donation we offered them an embellished compliment which more often than not was a few of our brothers playing a song that they made up on the spot for that person.

## Kovner Banquet

The undergraduate brothers cannot stop talking about how incredible our time at the Kovner Banquet was. Once again we want to sincerely thank Chris Cataldi '96, Robert Yeager '68, and Joe Costy '77 our alumni brothers who made it possible for every undergraduate brother to attend Kovner.

We cannot wait until the 2011 banquet, which we know will be just as fun. Our stories of that night have our new brothers wondering what they missed and just as excited as we are.

## A new house for the "House that Leads"

In April, Pi Lam signed a lease for a new chapter house at 1720 North 17<sup>th</sup> Street. Thank you to brother Fred Brehm '86 for all his help in negotiating the terms of the lease and to the alumni association for helping us with the down-payment.

*The new chapter house at 17<sup>th</sup> and Oxford is a fitting home for PA Alpha Delta.*

Fifteen brothers will occupy the ten bedroom, brownstone mansion — a fitting home for our growing brotherhood.

From the fifteen-foot bar in the basement to a roof with one of the best views of Center City in the area, this house has plenty of space for us to live and hang out. Amenities include new appliances, a spacious common room, and a deck.

Furniture for the common room was donated by one of the brother's parents. We would also like to thank David MacFarlane '89 for donating a large screen TV.

We look forward to decorating our grand spiral staircase with memorabilia from the chapter's rich past.

## Meet the Brothers

PA Alpha Delta is now 26 brothers strong. In the spirit of our non-sectarian roots, our brotherhood is a diverse, proud group that is determined to honor our traditions and secure our place in the Temple community.
