

PI LAMBDA PHI
PENNSYLVANIA ALPHA DELTA

CHAPTER REPORT

We're Back at 2000 North Broad

Finally, after sixteen long years, PA Alpha Delta is back at the castle on the corner, 2000 North Broad Street. As we all know this house holds great history within our fraternity, and we're grateful to finally be back here to continue the legacy of those who came before us.

Since we've been back, we've made sure to put it to the best use, even while under the restrictions of COVID guidelines.

In the Balka Chapter Room, we added a pool table which has become a great place for brothers to come after class and hang out or shoot pool. To stay social and build morale, we also started a tradition of Thursday poker nights, with a pool tournament mixed in once every few weeks.

In spite of COVID, we also pitched in on a neighborhood clean up on MLK Day, an event sponsored by alumnus, Rep. Malcolm Kenyatta.

The pandemic has changed many things about life, including the way our chapter had to operate. Many brothers had to stay home this year, but despite being apart, the brotherhood remains strong. We're so excited for the day we can show off the house to alumni.

A Message from the Rex

Our chapter has gone through many changes in 2020. Unfortunately, we said goodbye to many graduating seniors who left a lasting legacy at the chapter. We also welcomed 23 fantastic new brothers in two classes who we know will make a great impact. Pi Lam has a three star star diamond accreditation with Temple, and currently has a cumulative GPA of 3.2.

2021 Executive Board

The pandemic left us with some financial challenges. We had to lower dues to keep our struggling brothers active, and we were unable to fill the house to capacity. We made do as best we could, but had to go without some things, including supplies needed for home improvement, and a 2019-20 composite. We'd certainly be very appreciative of any contributions, even enough for a six pack!

After a tough year, I am confident that we are on a strong upward trajectory, and I am very excited to see how much our chapter can accomplish. Also, we encourage all alumni to follow us on Instagram: @pilamtemple and @notfouryears.

Fraternally, William Quinn, Rex

Meet the New Brothers

Spring 2020 Chi Class

Name	Major	Hometown
Karim Abdelmaseh	Financial Planning	Lancaster, PA
Sidd Bellum	Actuarial Science	Hatfield, PA
Dan Celluci	Film and Media Arts	West Chester, PA

Brothers in Action

A few of the fellas losing their shirts at poker night.

Our first Thanksgiving in the Chapter Room.
