

CHAPTER REPORT

PI LAMBDA PHI
PENNSYLVANIA ALPHA DELTA

DECEMBER 2023, ISSUE 12

STATE OF THE CHAPTER

This semester was a great one for PA Alpha Delta. With 21 total brothers living amongst both houses (1627 and 1629 W. Diamond Street), the brotherhood was very active. This semester the Executive Board continued to strengthen our relationships with sororities on campus and continued to contribute to our philanthropic endeavors. After a lot of hard work, this year we got a 4-star rating on our diamond accreditation as well.

A popular activity among the brothers this semester was playing pool, a great gift from the alumni years ago which we still are very thankful for. The pool table has been used for many tournaments, a way for brothers to hang out and take a break from studying, as well as playing poker.

Kovner Banquet 2023, held at Trattorio Totaro

Pi Day with AXiD

PHILANTHROPY

This semester, we held and participated in numerous events like Pi Lambda Phried and Pie a Pi Lam. We teamed up with Alpha Xi Delta many times this semester in things such as the Leukemia and Lymphoma Society Walk at the art museum, selling hot chocolate for the Kindly Hearts Initiative and Special Olympics, as well as Pi Day for the Leukemia and Lymphoma Society.

We also held an event at the house this year, where we raised around \$600 for the Fox Chase Cancer Research Center. This event was very important to us, as one of our brothers was diagnosed with Hodgkins' Lymphoma in August. He has been battling this semester, while also doing tons of work for Pi Lambda Phi. It was great to raise money for a cause that impacted our brotherhood so much. He is set to be done treatment in early January.

HOMECOMING

This year, we revived the tradition of Parents Day for the Temple homecoming game at the Linc. A big thank you went out to everyone who supplied food and beverages for the day. The Owl's loss did not affect the amazing time for everyone, and it was awesome meeting everyone's parents. We will for sure keep the tradition going and are already looking forward to next year's homecoming.

Brothers, family, and friends enjoying parents weekend

The Dream Team after steamrolling the opponents in a historic victory

Frat Feud

This semester, Delta Zeta held a philanthropy event called Frat Fued, where every fraternity in IFC played against each other, in a "Family Fued" like game. They raised money for speech and hearing, and it was no surprise that Pi Lambda Phi finished first, beating every other fraternity on campus.
