Dear Brother [last name]:

2024 is off to a great start for both the undergrad and alumni Pi Lam brothers. The chapter is back on Broad Street! They leased a new historic house at 1438 North Broad that can accommodate more than 50 brothers with plenty of space for outdoor events. Built in 1870 as the Peter Jordan Residence, it is a fitting home for “The House That Leads.” As a housewarming gift, the House Corp is providing a grant to cover their relocation expenses.

The 75th anniversary of the Kovner Banquet is Saturday, October 5!

We're going all out to make the 75th a special celebration of Alfred “Koko” Kovner with a return to Temple’s campus at the Great Court at Mitten Hall, a pre-banquet house reception, BBQ Nation feast, commemorative giveaways, and more.

RSVP today! If you reserve your spot before September 1, you’ll get a \$10 discount!

Mailed invitations are forthcoming *or* you can reserve your spot now online at:

I strongly encourage you to attend this very special event, and to invite brothers you know who may not have attended in a while. When the invitations were sent out for last year’s banquet one went to Joseph Nugent ‘86. His daughter, Ainsley, was the events director at the venue. She spotted the invitation and encouraged Joe to attend. It was the first time he had attended as an alumni. Joe, we hope to see you again this year!

I’d like to personally thank Shawn Mahoney ‘92, Jim Kelsh ‘75, Chris Cataldi ‘96, Paul Lucas ‘94, Kevin Mickelberg ‘96, and Rick Hahn ‘94 for serving on the Kovner planning committee. Our newest members have brought a lot of great ideas and new energy. Thanks to Jim for doing the legwork to bring the event back to Temple, and to Shawn for keeping us organized and on track.

Don’t be surprised if you get a call, text, or email from a classmate. We’ve recruited a number of class ambassadors to use all their powers (within the limits of the law) to entice you to attend. If

you'd like to connect with your classmates, email us at pilamtemple@gmail.com and we'll send you a directory.

The chapter is thriving. In addition to the new house, the chapter boasts a 4-Star Diamond Accreditation from the university (whatever that is), is active in philanthropy, and has strong sorority relations. Just be safe, guys.

Check out the enclosed *Chapter Report* for more about the chapter's spring semester.

“Not four years, but a lifetime.”

We all say it, and we all strive to live it. Think of the impact that being a Pi Lam brother has had on your life. Maybe it's someone you've kept up with over the years, or helped you get a job, or something you experienced as an undergrad.

As alumni, it's our responsibility to make sure that the brothers who follow us realize that same impact. The saying “many hands make light work” comes to mind. Whether it's a monetary donation, volunteering for a committee, or championing an idea or cause, getting involved is truly rewarding, and it really doesn't come at a great cost.

Why we need your financial support...

Your monetary donation helps us offset the cost of events like the Kovner banquet for the undergrad brothers and fund projects for the House. We cover the cost of mailings, postage, and operational expenses. Our digital overlords at Meta, X, and GoDaddy arbitrarily raise rates for the essential web, email, social media, photo sharing, and security services that help us keep you in touch.

Please send a contribution today. We need the dues!

Please help the PA Alpha Delta Alumni Association continue to help keep us all in touch while supporting the active chapter.

Becoming a PA Alpha Delta alumni association member couldn't be easier.

Consider a recurring payment

Did you know you can now choose to budget your donation by scheduling a monthly payment? Chris Cataldi '96 shared why he chooses to donate monthly.

“Simply put...my life changed when I pledged Pi Lam. I developed lifelong friendships and have amazing memories to carry me through life. Connecting with alumni was always a big part of the brotherhood for me. An alum actually gave me my first job out of college! I've

been lucky and successful enough in my career to start giving back to a brotherhood that has given me so much in life.”
