

CHAPTER REPORT

“ *Joining a fraternity means nothing. But when you have really worked for it sweated for it, cursed it and loved it, as well as the men in it, you have something.* ”

SETTLING IN A NEW LOCATION

Over the summer, brothers started moving into the new house. Quickly, this new location became home. Brothers were active 24/7 and were soaking it all in when we first moved in. Ever since then, it's been nothing but hard work, fun and camaraderie. This new house is a symbol of the brotherhood and an opportunity like no other.

State of the chapter

This past semester was great for the chapter and morale of brothers. Brothers of Pi Lambda Phi remain active in philanthropic endeavors in order to help keep the city we live in clean and to give back to those in need. We brought back the Fratsgiving tradition this semester, where brothers came together and cooked individual dishes from respective units.

Pi Lambda Phi still holds our 4-star rating we got from last semesters Diamond Accreditation, and we have continued to recruit new members and strengthen sorority relations.

The brotherhood is continuing to decorate, fix up, and furnish the house going into the new year. That being said, any alumni help is greatly appreciated whether it be donations or supplies.

Philanthropy

This semester, all of our philanthropy proceeds went to the Special Olympics Foundation. We held numerous philanthropic events, like Pie a Pi Lam, Phried Oreos and the Fall bake sale with Alpha Xi Delta.

Alumni Room

Special thank you to all the alumni, as well as the chapter advisory board, for all the support and pushing this fraternity to be the best we can be.

Formal 2024

The 2024 Pi Lambda Phi formal event was held at Pace and Blossom this year. It was a great time to unwind with brothers and have a good time before finals.

HOMECOMING

FOR THIS YEAR'S TEMPLE HOMECOMING GAME AT THE LINC, WE BROUGHT BACK THE TRADITION OF PARENTS DAY. WE WOULD LIKE TO EXPRESS OUR GRATITUDE TO EVERYONE WHO PROVIDED FOOD AND DRINKS FOR THE EVENT. MEETING EVERYONE'S PARENTS WAS FANTASTIC, AND THE OWL'S PASSING HAD NO BEARING ON THE WONDERFUL TIME THAT EVERYONE HAD. WE ARE EAGERLY ANTICIPATING THE HOMECOMING NEXT YEAR AND WILL UNDOUBTEDLY CONTINUE THE TRADITION.
